

# Introducing the Promise of Engagement

## CONFIDENCE SERIES

*The hope and hard work of authentic engagement*

In this 90-minute online session, staff at all levels of your organization are introduced to the concept of **authentic engagement – the cornerstone of any project’s success** – at the community and system levels. Participants come away with an understanding of when and why to engage, the promises of engagement, the different levels of engagement, and strategic dos and don’ts for authentic engagement.

## TOPICS INCLUDE:

- What engagement is and is not
- The promises of engagement (risk management, innovation, durable decision making, equitable and just communities)
- The different levels and spectrums of engagement
- The dos and don’ts of authentic engagement

**Micro credential included.**
